from 20 January 2020

Auchterarder Community Bus Group

## Introduction

The Auchterarder Town Bus Service includes Services **49** and **49A**, and is provided by Docherty's Midland Coaches for Auchterarder Community Bus Group (ACBuG).

Service **49** operates five days a week (not Wednesday or Sunday) and links the three main housing areas to the south of the High Street/Townhead, the two new housing areas north of Hunter Street, to the Town Centre and St Margaret's Health Centre/Hospital.

Service **49A** operates on Wednesday only, and links Grand Eagles and residential areas to the west, including Strathearn House, to the Town Centre and St Margaret's Health Centre/Hospital.

Both Services **49** and **49A** operate hourly during the day.

## January 2020 timetable changes

Service **49**: from 20 January, the Feus is added to the route and timetable after Benton Road; with Hunter Street to be served one way only. In addition, there is an extra weekday journey from the Co-op to St Margaret's and Kincardine Road at 0910.

Service **49A**: from 22 January, Castleton Park and New School Lane, Parkdale are added to the route and timetable.

## Hail and Ride

The bus will serve all marked bus stops on the two services, such as on the High Street.

In addition, in the residential areas and on roads with limited or no bus stops, the bus will operate on a 'hail and ride' basis (where safe to do so). Bus users should clearly signal to the driver that they want the bus to stop.

## Fares

A low flat fare of just £1.20 single applies to all journeys on the Auchterarder Town Bus Service - with the ticket valid for 75 minutes.

In addition, return fares, dayrider tickets and child fares are available.

The elderly, and people with a disability, who have a National Entitlement Card will travel free of charge.
